

LHM DESIGN SPECIFICATIONS

At Luxury Home Magazine®, it is our desire to provide you with the highest quality magazine possible to reflect the upscale properties that you represent. Please read and follow the guidelines below for submitting your ad successfully. You may either e-mail or burn the necessary information to CD and we will pick it up. If you e-mail, please send a separate e-mail for the header, listing information, and listing photos. Put the agent's name and what you are sending in the subject line: e.g. Agent Name - header information, or Agent Name - listing photos.

Header

Include all information that you would like in your header:

- Phone number(s)
- Website
- Agent's picture: 1.625" wide x 1.75" high @ 300dpi in JPEG, TIFF, PSD, or PDF formats.
- Logos
- Email
- Certifications
- DRE License #

Listings

(Text can be in the body of the e-mail or in Microsoft Word format. Please spell check and proof BEFORE sending text.)

- For ads with one listing per page, please limit word count to 150 words per listing
- For ads with two listings per page, please limit word count to 75 words per listing
- For ad with three listing per page, please limit word count to 50 words per listing

Please note: County name must be indicated in listing.

Photos

We highly recommend hiring a professional photographer. A professional photographer will best portray your property by accentuating its architectural elements, using lighting and camera angles for the best possible results. Dramatic images taken during twilight will give the home a warm, welcoming look. To portray your upscale listing properly, we cannot accept low-resolution photos from the MLS or the Internet. Please submit a written agreement from the photographer stating appropriate photo credits and permission to use the photographs in Luxury Home Magazine®.

Minimum settings are as follows: (We accept JPEG, TIFF, PSD, or PDF formats)

- 4" x 6" image - 1200 x 1800 pixels @ 300dpi
- 5" x 7" image - 1500 x 2100 pixels @ 300dpi
- Photos exceeding 5" x 7" - Please supply at 300dpi
